

Sådan henter du Office-pakken ned på din private pc.

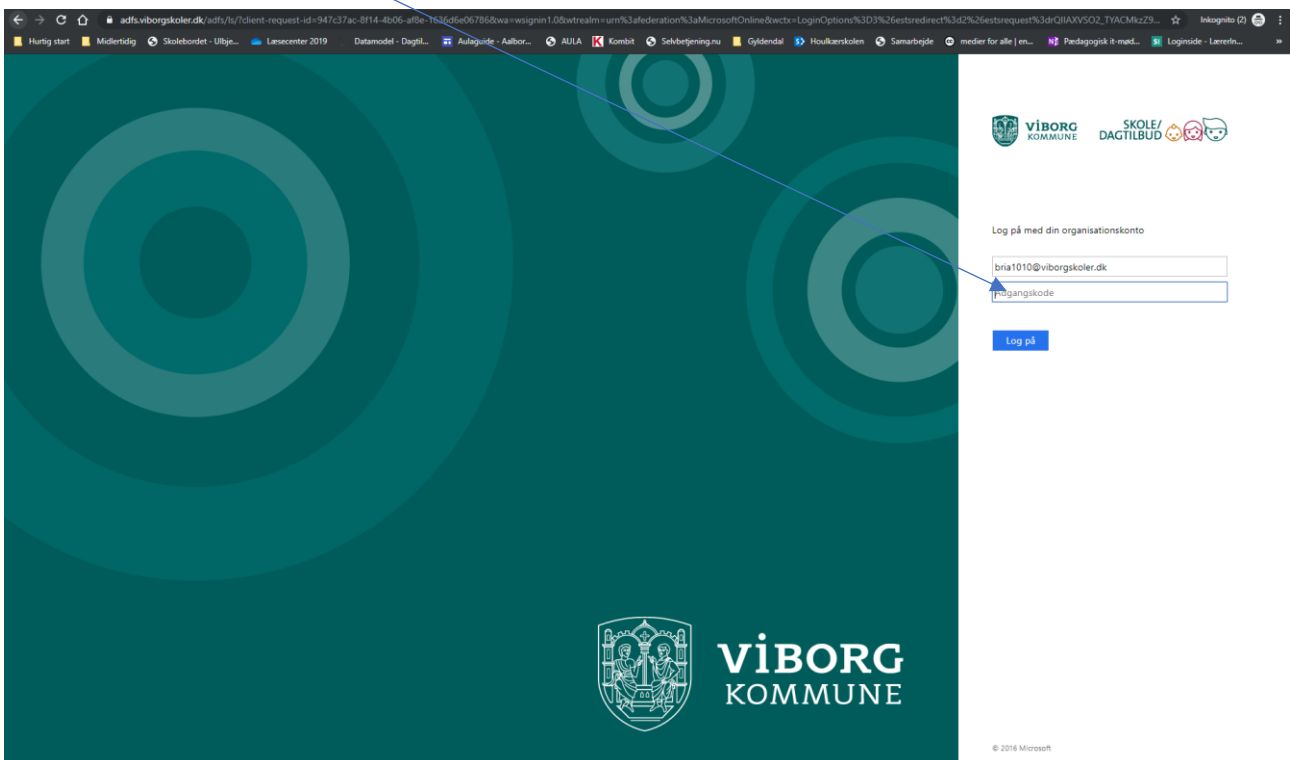

Gå på "www.office.com" og vælg "Log på"

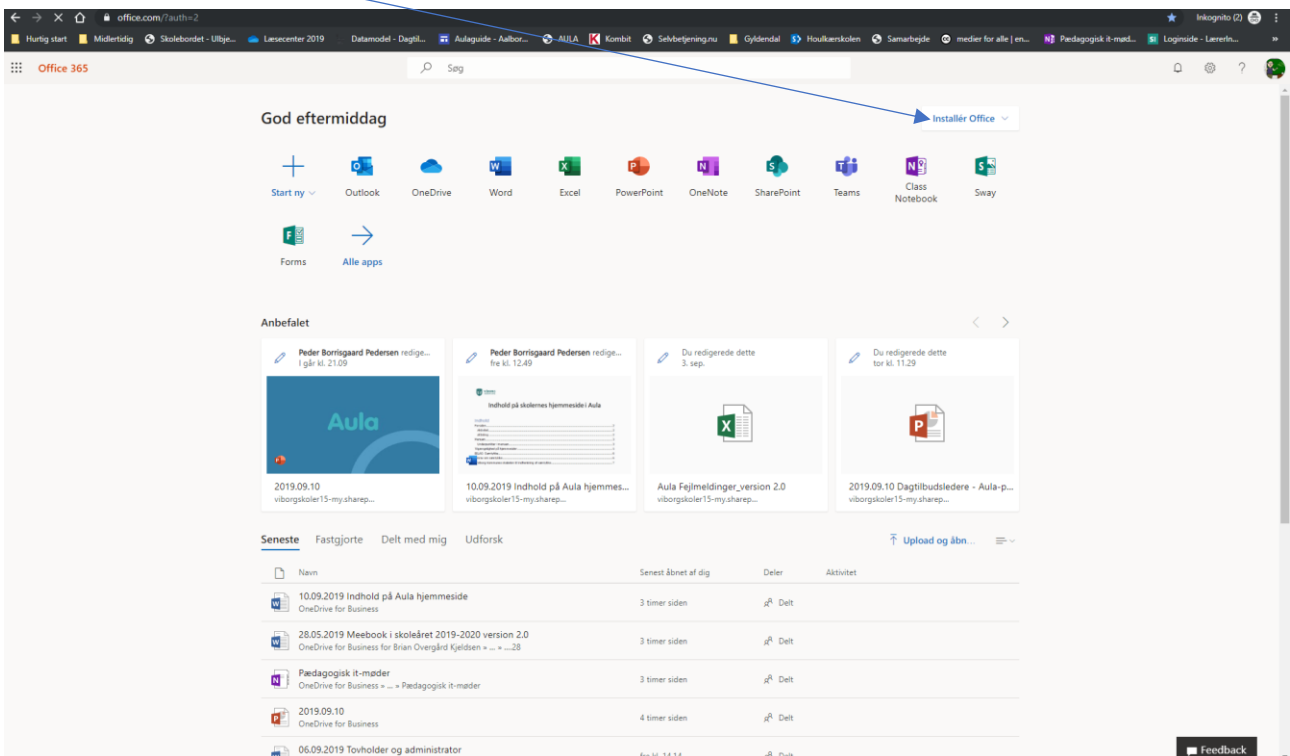

Skriv din skole-mail (det er dit UNI-id efterfulgt af @viborgskoler.dk)

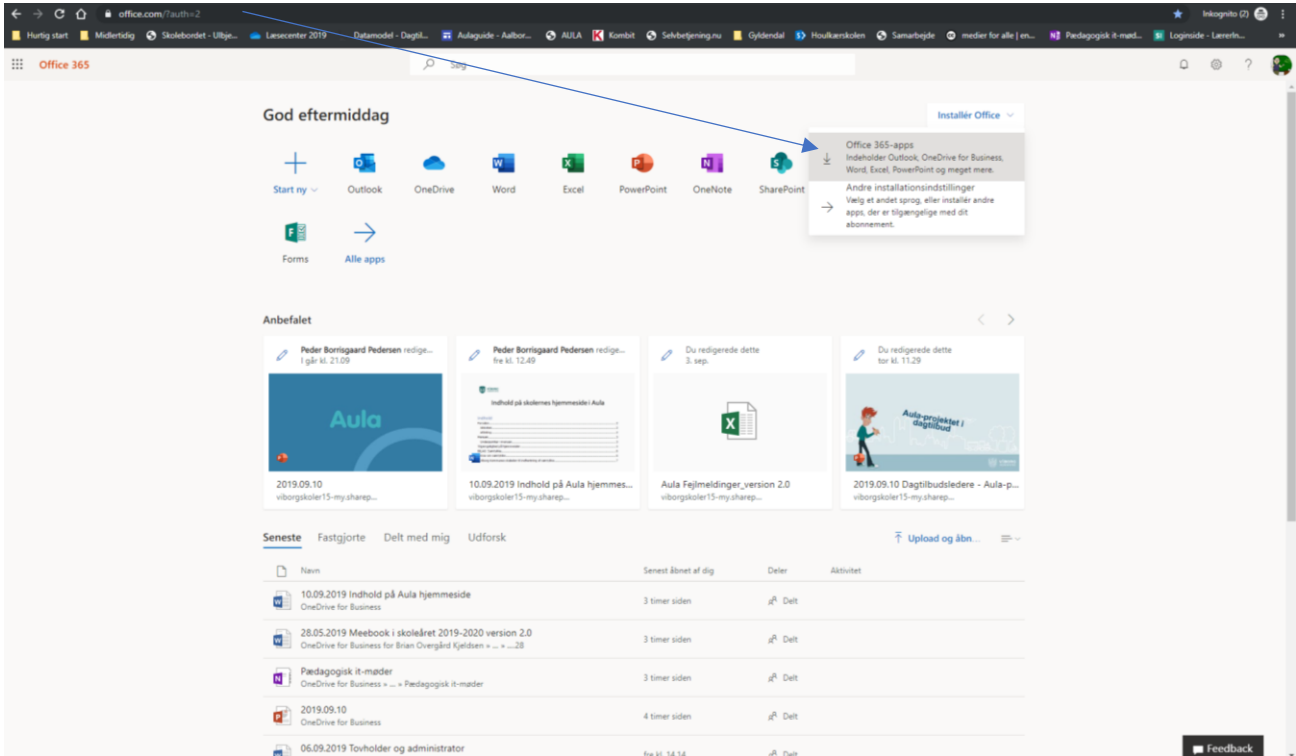

Skriv herefter din kode til UNI-login

Tryk på "Installer Office"

Vælg "Office 365-apps"

The screenshot shows the Office 365 web portal interface. At the top, there is a navigation bar with the text "Office 365" and a search bar. Below this, the main content area is titled "God eftermiddag" (Good afternoon). In the center, there is a row of application icons: Outlook, OneDrive, Word, Excel, PowerPoint, OneNote, and SharePoint. A blue arrow points from the text "Vælg 'Office 365-apps'" to the SharePoint icon. A dropdown menu is open over the SharePoint icon, displaying the following text: "Office 365-apps. Indeholder Outlook, OneDrive for Business, Word, Excel, PowerPoint og meget mere. Andre installationsindstillinger. Vælg et andet sprog, eller installer andre apps, der er tilgængelige med dit abonnement." Below the application icons, there is a section titled "Anbefalet" (Recommended) with four document thumbnails. At the bottom, there is a "Seneste" (Recent) section with a table of documents.
